# FORTRESS® DECKING

## BUILD WITHOUT LIMITS.

Fortress® decking is causing a revolution by pioneering an evolution. We took a fresh look at the decking industry and then engineered a total solution of beautiful, innovative profiles unlike any others.

Our unique manufacturing process creates decking that is more dense, true, and scratch & slip resistant. We can also create shapes, styles and aesthetics that the competition can't match. Fortress delivers two distinct lines that give you the freedom to design a deck with unequalled looks and unrivaled durability.

**45%  
LIGHTER  
THAN  
COMPOSITE**

**DUAL  
EMBOSSSED  
NATURAL  
LOOK**

**HIGHEST  
SLIP  
RESISTANCE  
IN ANY  
CLIMATE**

**Apex®**

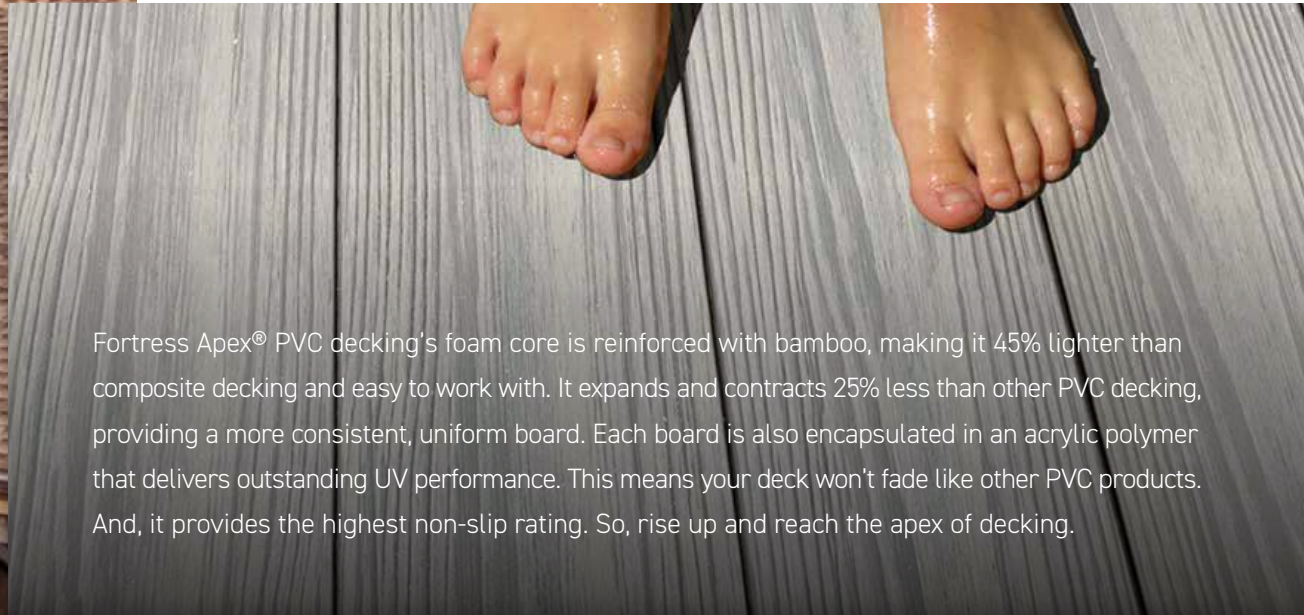

### **APEX® CAPPED BAMBOO-PVC COMPOSITE DECKING**

Fortress® imagined a radical idea. Could we build a PVC decking series that defies expectations? As a result of pushing the boundaries, our Apex® PVC decking reaches new heights in value, quality and aesthetics. Fortress Apex PVC decking uses a proprietary tri-extrusion process that delivers the beautiful look of tropical hardwoods. In fact, it's been called, "the best board I've ever seen" by numerous customers.

EXPLORE DECKING

Fortress Apex® PVC decking's foam core is reinforced with bamboo, making it 45% lighter than composite decking and easy to work with. It expands and contracts 25% less than other PVC decking, providing a more consistent, uniform board. Each board is also encapsulated in an acrylic polymer that delivers outstanding UV performance. This means your deck won't fade like other PVC products. And, it provides the highest non-slip rating. So, rise up and reach the apex of decking.

**INFINITY® I-SERIES**  
**CAPPED BAMBOO-PLASTIC**  
**COMPOSITE DECKING**

Fortress set out to prove that cost-effective decking could still deliver the strength, usability and beauty of its premium cousins. Well, we did that and more.

Our Infinity® I-Series decking is 40% lighter, while keeping the same stiffness and mechanical properties. This revolutionary design uses the historically proven I-beam shape, which is uniquely capable of handling heavy loads.

# FORTRESS® FENCING

## NO LIMITS. KNOW BOUNDARIES.

Looking for a smarter solution for your perimeter fencing? Go with the leading manufacturer who continues to push the industry. At Fortress®, we continually forge ahead to deliver the most innovative breadth of fencing solutions. Whether you're building for residential, industrial, commercial or high-security applications, we can meet your project's needs. Our fencing systems are versatile, durable and easy to install.

**ENHANCED DURABILITY**

**VERSATILITY FOR EVERY APPLICATION**

**ALUMINUM, STEEL & COMPOSITE SOLUTIONS**

### RESIDENTIAL

#### VERSAI®

Fortress' patented Pin-Hinge technology provides a rackable, steel fence that is easy to install on aggressive landscapes.

#### ATHENS RESIDENTIAL

Aluminum fencing offering affordability with premium design.

### INDUSTRIAL

#### V3 - INDUSTRIAL ORNAMENTAL FENCING

Easily rackable, steel fencing to suit grade changes common in industrial applications.

#### TITAN ARCHITECTURAL

Industrial steel fencing line offers rackability, strength and durability for commercial and industrial fencing projects.

**COMMERCIAL**

**V2 - COMMERCIAL ORNAMENTAL**

A complete line of steel commercial products featuring 7 styles, 8 heights and 5 gate width options, and our 20 year warranty.

**A2™ COMMERCIAL**

Aluminum fencing with rackable design, plus larger rail and wider picket profiles.

**ESTATE ENCLOSURE SYSTEM**

Offering clean welds and upscale privacy while being virtually maintenance-free.

**ESTATE**

An elegant fusion of steel, wood or composite infill boards that provides privacy for residential or commercial projects.

**OASIS**

This line takes composite fencing to a new level of performance and aesthetic appeal.

**EVOLVER**

Aluminum framed composite fencing offering the tactile feel of wood with greater resistance to UV/weather, insects, mold and fading.

**TITAN CUSTOM**

Rackable steel fencing that meets the most stringent requirements of industrial architects and federal specifiers.

**HIGH SECURITY**

**ARES™**

High-security steel fencing that deters and denies! The ultimate high-security fence for asset and people protection.

**ALL APPLICATIONS**

**CUSTOM GATES**

Steel gates designed and built to your specifications in a broad range of premium finishes.

# FORTRESS® FRAMING

## ROT? WE THINK NOT.

Why build a 25-year deck on a wood frame that rots? Our Evolution steel deck framing and stair system is the next evolution in decking. If you know how to frame with wood, you can frame with steel, even on curves. The interlocking joist and ledger system lets you build sturdy, safe decks with less effort. Our powder-coated finish provides increased corrosion resistance and a more finished look. Discover a smarter steel framing system designed by deck builders, for deck builders.

## FORTRESS® CLADDING

### PERFORMANCE. ELEVATED.

Art hangs on the wall, or now, it can be the wall. Fortress® is excited to bring you the evolution of facades with our new cladding products. Fortress cladding products are made up of 60% bamboo fibers (a strong, safe and sustainable resource) and 40% recycled plastics (which would otherwise end up in landfills). Create your own masterpiece with lasting, vibrant aesthetics, along with vivid colors and exceptional warranties. It's innovation climbing to new heights.

## TWO PRODUCTS, SHARED QUALITIES

- Vibrant, enduring, dual-tone color palette
- Fast, low-cost installation
- Made with FSC bamboo (a fast-growing grass)
- Requires simple maintenance with no harsh chemicals
- Requires no reapplication of toxic chemicals
- Face-fasteners or concealed fastening
- Warranty covers performance, stain & fade

**Apex**<sup>®</sup> CAPPED BAMBOO-PVC  
COMPOSITE CLADDING BOARDS

- Eco-friendly composition & production
- Scratch & moisture resistance
- Made with recycled plastic

- Rich color & natural streaking
- Enhanced timber grain surface textures
- Premium capped composite technology
- Ultra-low maintenance
- Made with recycled plastic

## FORTRESS<sup>®</sup> FASTENERS BRINGIN' IT ALL TOGETHER.

Using state-of-the-art technology and manufacturing methods, Fortress<sup>®</sup> has developed a complete range of durable, specialized fastener systems. They work together in perfect synergy to ensure the longevity and stability of your deck.

EXPLORE PERGOLAS

**EVOLUTION™**  
STEEL PERGOLAS

FORTRESS® PERGOLAS

### SHELTER FROM THE MUNDANE

Built from the same materials as our steel deck framing, our game-changing steel pergolas add style, character and peace of mind to any space. Relax knowing you can build or enjoy a pergola that's built to last. Our structural steel is dual layer protected against fire, corrosion, twisting, insects and rot. Plus, the powder coated finish provides a modern, contemporary look and a unique design aesthetic that makes a statement.

# OUTDURABLE LIVING®

To be a true innovator in the industry takes bold imagination and radical ideas. For example, when we tried to sum up all that we offer in our Total Solution of products and services, no such category existed. So, we did what any true pioneer would do.

WE CREATED A NEW ONE. **WE CALL IT OUTDURABLE LIVING®.**

It sums up our complete collection of products that are resilient, refined and really easy to care for. After all, your time is valuable. That's why we provide revolutionary materials for the outside that are easy to install and maintain. So, relax and build without limits.

Watch our video to see how we take the outdoors to the next level.

WATCH THE VIDEO

## OUT

We deliver revolutionary products built for the OUTSIDE by a bunch of OUTSIDERS. This rebel spirit is a refreshing change that makes a real difference.

## DURABLE

All of our products are extremely DURABLE and proven to stand up to anything Mother Nature throws at them.

## LIVING

It's a way of LIFE that's unique to Fortress Building Products.

## **BUILDING A BETTER TOMORROW**

At Fortress®, we believe in leading global change in the way people build and live. That means giving back to the people and communities we impact. It means staying ahead of the curve regarding safety, security and industry standards. And it means building a workplace where our team is inspired and supported. When the world is a better place, we all win.

## **FORTIFY THE FUTURE**

This resilient spirit extends to taking care of our planet. We are committed to prioritizing sustainable materials and building practices. From the reused, recycled and renewable raw ingredients we use to create our products, to the solar power we harness to manufacture, we are proud to offer you holistically sustainable solutions.

**BY ALWAYS LOOKING TOWARDS TOMORROW, WE CAN ENGINEER A STRONGER, SMARTER AND GREENER OUTLOOK.**

## TEXAS-SIZED SUPPORT

Where we come from, everything is bigger... including our helping hands. We value the relationships with the professionals in our industry and the families that ultimately own our products.

Should there ever be a question or topic that we can help you with, please call us during business hours to talk to a real person at (866) 323-4766 or email at [sales@fortressbp.com](mailto:sales@fortressbp.com) and you will receive a prompt reply.
