

Evolution Steel Deck Framing 20-Year Limited Warranty for Galvanized Parts

Fortress Framing warrants its products and accessories to be free from manufacturing defects in materials and workmanship. Furthermore, this limited warranty maintains that this product will retain its structural integrity. The term of this limited warranty is 20 years from the date of purchase to the original purchaser.

This warranty does not cover damages caused by: abnormal or improper use, improper product application, shipping damage, accident, alteration, welding, neglect, abuse, vandalism, lawn care equipment damage, abrasion, harsh chemicals, pool water, pool chemicals, chemicals for ice removal, air pollutants, damage caused by flood, fire, or acts of God. Surface fading and surface corrosion from scratches, nicks, and dents are not covered.

This warranty does not cover damages caused by direct contact with salt water or product installed or stored within 1 mile of salt water. Evolution Steel Deck Framing products installed under the surface of, within the flood zone of, or exposed to the constant spraying of any body of water are excluded from this warranty.

Fortress Framing does not warrant against nor is responsible for any defects caused by improper installation, not following the Evolution Steel Deck Framing maintenance requirements, exceeding design limitations, movement caused by ground settling. This warranty is also void if product is not installed in accordance with local laws and building codes.

Fortress Framing is not responsible for rust or corrosion on any surface on or around Evolution Steel Framing System resulting from steel shavings and/or chips left-over from the steel cutting process and/or exposed ends.

Maintenance Requirements for Galvanized Evolution Steel Deck Framing Products and Surfaces:

- As product is installed, all instances of exposed steel must be covered with a Fortress Framing approved touch-up paint per the Evolution Steel Deck Framing installation guidelines.
- During installation and any subsequent alterations, all steel shavings and/or chips resulting from the cutting process must be removed from the job site. Not removing steel shavings and/or chips could result in the staining of surrounding surfaces.
- Ensure all construction materials such as concrete, plaster, and paint splashes are removed immediately before they have a chance to dry. Failure to remove these materials may cause damage to the galvanized surfaces.
- Do not use strong solvents such as thinners, or solutions containing chlorinated hydrocarbons, esters, or ketones. Abrasive cleaners or cutting compounds cannot be used.

The consumer purchaser must contact Fortress Framing directly via phone at 1-866-323-4766, via email at warranties@fortressframing.com, or mail to: Fortress Framing 1740 N. 1st St. Garland, TX 75040 to obtain necessary warranty claim forms and the official claim process.
