

Infinity®

CAPPED BAMBOO-PLASTIC COMPOSITE CLADDING

EXPLORE

INFINITY
CLADDING

INSPIRED BY NATURE. ENGINEERED FOR ANYTHING.

Infinity® capped bamboo-plastic composite cladding boards from Fortress Building Products provide endless design possibilities. The deep, rich colors and natural textures give you a weather-resistant barrier for your next rainscreen project. Our beautiful cladding stands out, while withstanding fading, stains, rot and insects. It's easy to install and maintain, while being friendly to the environment.

Infinity composite cladding boards are created using the latest in co-extruded capped bamboo-plastic composite (CBPC) technology. An advanced protective cap offers you the ultimate in composite durability and long-lasting stability.

KEY FEATURES & BENEFITS

LASTING BEAUTY | Choose from a vivid, enduring hardwood palette of rich colors, natural streaking and enhanced timber grain textures.

EASY CARE | Enjoy ultra-low maintenance from cladding that requires no harsh chemicals to clean or preserve.

SIMPLE TO INSTALL | Our cladding boards are face-fastened and install easily with standard tools, methods and labor.

SMART AND SUSTAINABLE | Infinity composite cladding boards are made from recycled plastic and FSC bamboo (a fast-growing grass).

WARRANTY

We stand by your side and behind our Infinity® cladding with a 30-year residential warranty, a 15-year commercial warranty and a hassle-free claims process. We also warrant against stains and fading. Visit FortressBP.com for complete warranty details and exclusions.
