MORE WAYS TO CUSTOMIZE

Make your outdoor space shine with the brilliant versatility of our caps and lights. Choose caps that are lit or not. Use a cap light kit, which is a light kit that illuminates 1 to 4 sides of your post cap. Opt for a combination of glow rings, vertical post lights and surface mount lights for a more customized look. Then easily manage your lighting with our remote controller or smart controller.

KEY FEATURES & BENEFITS

BEAUTIFUL & DURABLE | Our die-cast aluminum lighting accessories, post caps and post base covers provide the durability and high-quality performance that you've come to expect from Fortress.

VERSATILE | Use with a variety of decking and railing materials including wood, composite, vinyl, aluminum and steel.

LOW MAINTENANCE | Our powder-coated finish resists corrosion, cracking and peeling — plus, it offers superior color retention, preserving a like-new look for years to come.

INSTALLATION SIMPLIFIED | Plug and Play technology makes installation intuitive, simple and accurate every time.

LIGHT MANAGEMENT | Use your mobile device or remote to manage the functionality of your lights.

WARRANTY

We stand by your side and behind our FortressAccents™ products with a 2-year warranty for our transformer, smart controller and remote controller; and a 10-year warranty for our LED components & fixtures and a hassle-free claims process. Visit FortressBP.com for complete warranty details and exclusions.
